CALS ALUMNI AND FRIENDS FISHING TOURNAMENT
JULY 17 – 18, 2009
BOCA GRANDE, FLORIDA

The University of Florida College of Agricultural and Life Sciences Alumni and Friends Fishing Tournament serves as a social and scholarship fundraiser. This annual event is held in Boca Grande, attracting visitors to the area for a two-day program, including an opportunity to fish on private or chartered boats. This is a multi-species tournament with a goal of achieving the highest team and individual total catch length.

CALS Alumni and Friends fosters a spirit of loyalty and fraternity among graduates, former students and friends of UF's College of Agricultural and Life Sciences, School of Forest Resources and Conservation, and School of Natural Resources and Environment. CALS Alumni and Friends members strive to promote attendance in these programs and assist in the maintenance and enhancement of their academic standing. There are 25,765 living alumni of the UF College of Agricultural and Life Sciences.

We are requesting donations to be used as awards and door prizes. For your donation, your business will be recognized in the CALS Alumni and Friends Fishing Tournament printed program as well as the CALS Alumni and Friends E-newsletter (circulation ~9,000). Thank you in advance for your support.
