Applications and supporting materials are **due to the department or college office of your faculty mentor** for the due date of February 9, 2018. For more general information, please visit <http://www.scholars.ufl.edu>, and click on the Prospective Scholars/College Requirements link to find your faculty mentor’s college to obtain specific information about the particular college’s requirements. Note that in order to be eligible, you must not earn your bachelor’s degree before Spring, 2019. If selected, you must attend the Undergraduate Research Symposium event on Thursday, March 22, 2018.

USP Applicants will be notified by Monday March 12, 2018 if they have been selected for the University Scholars Program

¹ Please note that USP applications are sent to the college of the faculty mentor, not the student’s college. Therefore, if you are a CALS student who is working with a faculty member outside of CALS, you need to apply for the USP in that college and NOT CALS.
